

Residents' Information Email and Online Hub

We would like to say thank you to all who have registered for free tickets.

The response for the free tickets has been tremendous and the requested tickets are now being directly emailed out. There's no need to redeem a voucher any more.

For event updates there will be a password - protected Local Residents area of our website which will be updated to provide:

- **Headline flying times and any particularly noisy displays**
- **Traffic and parking updates**
- **Fireworks and evening timings**
- **A dedicated contact email**

This is designed to keep you informed and reassured as we move towards the show.

Air Display - all times shown are for guidance only.

Saturday:

- Saturday flying starting around 13:00, possible break at around 15:30/16:00 finishing 18:00/18:30 - not all day.

Saturday evening:

- Dusk flying from 19:00 finishing 30mins after sunset, Age of Flight narration, drone display, light show and fireworks finale, aerial finished by 22:00.

Sunday:

- Daytime flying programme, starting around 12:00 till 17:00 with no evening show.

On the Ground - there will motorcycle displays, Command Field Gun runs, Music, STEM displays, ground attractions, stalls, food and drink vendors and family activities.

Music Times (mixture of recorded, live and DJ)
Friday sees music from 18:30 - 22:45, Saturday 11:00 - 23:00, Sunday: 11:00 - 19:45. There will be PA announcements from 08:30 on both days.

Thank you for your support - and we hope you'll join us at the show using your free residents' tickets.

Hampshire Air Festival – Update Information for Local Residents

The planning for the event is progressing well, with meetings and correspondence taking place with the police, local authorities, safety advisers, residents, and experienced event safety and air display professionals.

This collaborative approach is helping to make the Hampshire Air Festival a well planned and safe event.

For the air display, the CAA has granted the necessary permission, and the agreed display area can be seen opposite. This area has changed from the one shown in our original resident leaflet following meetings and feedback received from local residents.

As a result of these changes, Stanbury Road and Snoddington Road will no longer be subject to road closures. Thruxton Hill will remain closed, with all other planned closures unchanged. The Three Villages Sports Field will also be closed during the air display, these closures will be phased.

Advanced warning signs will be installed showing the closure and reopening times of roads & the park; these will be marshalled throughout the event.

The majority of the aircraft taking part over the two days are now confirmed. We are pleased to have strong RAF representation, including the Tutor display, the BBMF Dakota and Spitfires, together with a Chinook display. Across the flying programme and static aircraft, visitors can expect to see around 50 aircraft.

We are now finalising the event layout, including the ground attractions, Smile Stage, food and beverage outlets, trade stalls, and the many other features that will complete the Hampshire Air Festival experience.

Volunteering

Come and be a volunteer at the Hampshire Air Festival and become part of one of the UK's newest aviation events. We are looking for enthusiastic people to support a wide range of roles, from welcoming visitors and assisting with event operations to helping behind the scenes. Every volunteer plays an important part in delivering a safe, enjoyable and memorable experience for our visitors.

Scan the QR to register to become a volunteer at the airshow.
